residents through direct services at
DHS facilities and through

SUBJECT

Request approval and delegation of authority to Los Angeles County Department of Health Services to execute agreements with the California Department of Health Care Services to make intergovernmental transfers that would fund supplemental Seniors and Persons with Disabilities Medi-Cal Managed Care Rate payments, and to execute amendments to existing agreements with the Local Initiative Health Authority for Los Angeles County and Health Net Community Solutions, Inc. to specify the terms related to the pass-through of the supplemental payments received as a result of the intergovernmental transfers to the California Department of Health Services.

IT IS RECOMMENDED THAT THE BOARD:

1. Delegate authority to the Director of Health Services (Director), or his designee, to voluntarily make intergovernmental transfers (IGTs) to the California Department of Health Care Services (DHCS) and to execute related agreements, in the general form and format of Exhibits I and II, to provide the nonfederal share of Seniors and Persons with Disabilities (SPD) Medi-Cal Managed Care Rate (MMCR) payments of approximately \$56.0 million, for the service period of July 1, 2014 through June 30, 2015.
2. Delegate authority to the Director, or his designee, to execute

www.dhs.lacounty.gov

amendments to existing agreements related to Medi-Cal managed care with the Local Initiative Health Authority for Los Angeles County (L.A. Care) and Health Net Community Solutions, Inc. (Health Net), similar to Exhibits III and IV, respectively, under which those organizations will pay the Department of Health Services (DHS) SPD Base Rate Increase Payments for the service period of July 1, 2014 through June 30, 2015.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the two recommendations will allow the Director, or his designee, to enter into the necessary agreements with DHCS, allowing DHS to forward IGTs to DHCS to provide the non-federal share of the SPD MMCR payments for the service period July 1, 2014 through June 30, 2015, which DHCS makes to L.A. Care and Health Net, and also to amend existing agreements with L.A. Care and Health Net to pass the payments they receive (directly and indirectly) from DHCS on to DHS as SPD Base Rate Increase Payments. Both the IGT and the SPD Base Rate Increase Payments are specifically authorized by the statute at Welfare & Institutions Codes section 14182.15. In order to comply with the State's requirements, both types of IGT agreements and the L.A. Care and Health Net amendments will have retroactive effective dates so that they begin at the start of the service period, which begins on July 1, 2014.

Implementation of Strategic Plan Goals

The recommended actions support Goal 1, Operational Effectiveness/Fiscal Sustainability, of the County's Strategic Plan.

FISCAL IMPACT/FINANCING

Approval of the recommended actions will permit DHS to make several separate IGTs to DHCS in a total amount of approximately \$56.0 million for the nonfederal share of the SPD MMCR payments, and will receive SPD Base Rate Increase Payments of approximately \$90.0 million from L.A. Care and Health Net for services provided to Medi-Cal enrollees during the service period July 1, 2014 to June 30, 2015. Net payments to the County, after IGTs, will be approximately \$34.0 million. The net payments and the associated IGTs will be made during DHS' FY 2015-16 closing process, and the appropriation and funding is included in DHS' FY 2015-16 Final Budget.

The SPD Base Rate Increase Payments must be used by DHS facilities to pay for health care services either in the year received or in future years; such payments may not be distributed to the County's general fund or used by other County entities.

These IGT payments to the State are necessary to assure that DHS revenue for providing services to the Medi-Cal SPD population that transitioned from a fee-for-service (FFS) payment methodology to a managed care payment methodology is the same as it would have been had these patients stayed in FFS Medi-Cal. Accordingly, these IGT transactions represent the shift of the source of revenue from FFS Medi-Cal to Medi-Cal managed care and do not result in an overall increase in revenue to the Department.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

State law, Section 14182.15 of the Welfare and Institutions Code, authorizes public entities to voluntarily transfer federally matchable funds to the State to be used solely as the nonfederal share of supplemental payments to managed care health plans for the provision of services to

Medi-Cal beneficiaries. Through these supplemental funds, this law enables health plans to compensate designated public hospitals, such as DHS hospitals and DHS freestanding clinics, in an amount sufficient to preserve and strengthen the availability and quality of services provided by public hospital systems. The IGT agreements with DHCS will require DHS to certify that the transferred funds qualify for federal financial participation and are not from impermissible sources. The amendments with the health plans will require that the SPD Base Rate Increase Payments be retained by DHS and used for the provision of health care services. They also commit the County to indemnify and hold harmless L.A. Care and Health Net, including covering attorneys' fees and costs, under certain circumstances.

On April 22, 2014, the Board authorized DHS to execute similar agreements with DHCS and with L.A. Care and Health Net for the period of October 1, 2013 through June 30, 2014.

DHCS has imposed a short time frame for the completion of the payments. To meet that time frame and to expedite receipt of these SPD Base Rate Increase Payments, DHS is requesting a delegation of authority from the Board to execute the DHCS and health plan agreements.

The Centers for Medicare and Medicaid Services (CMS) must approve all Medi-Cal managed care rate increases. If CMS requires material changes to the attached agreements and amendments, the Department will return to the Board to request a revised delegation of authority. Otherwise, we will notify the Board once the agreements are executed.

CONTRACTING PROCESS

IMPACT ON CURRENT SERVICES (OR PROJECTS)

There is no impact on current services as a result of this authorization. However, approval of this action will allow DHS to increase federal revenue sources and meet revenue projections included in the DHS Fiscal Outlook.

**INTERGOVERNMENTAL AGREEMENT REGARDING
TRANSFER OF PUBLIC FUNDS**

This Agreement is entered into between the CALIFORNIA DEPARTMENT OF HEALTH CARE SERVICES (“DHCS”) and the COUNTY OF LOS ANGELES (the “Governmental Funding Entity”) with respect to the matters set forth below.

RECITALS

A. This Agreement is made pursuant to the authority of Section 14182.15 of Chapter 7 of Part 3 of Division 9 of the Welfare & Institutions Code.

B. The Local Initiative Health Authority for Los Angeles County doing business as L.A. Care Health Plan (“L.A. Care”) is a local governmental authority formed pursuant to Welfare and Institutions Code Sections 14087.38(b) and 14087.9605. Health Net Community Solutions, Inc. (“Health Net”) is a health plan licensed pursuant to Health and Safety Code section 1379. L.A. Care and Health Net are parties to Medi-Cal managed care contracts with DHCS, entered into pursuant to Welfare and Institutions Code Section 14087.3, under which L.A. Care and Health Net arrange and pay for the provision of covered Medi-Cal health care services to eligible Medi-Cal members residing in the County.

THEREFORE, the parties agree as follows:

AGREEMENT

1. Transfer of Public Funds

1.1 The Governmental Funding Entity shall transfer funds to up to a maximum total amount of Eleven Million, Seven Hundred Ninety-four Thousand, Three Hundred Ninety-nine Dollars (\$11,794,399) to be used solely as a portion of the nonfederal share of actuarially sound Medi-Cal managed care capitation rates for L.A. Care and Health Net for the period July 1, 2014 through June 30, 2015 as described in paragraph 2.2 below. The funds shall

be transferred in accordance with a mutually agreed upon schedule between the Governmental Funding Entity and DHCS, in the amounts and components specified therein.

1.2 The Governmental Funding Entity shall certify that the funds transferred qualify for federal financial participation pursuant to 42 C.F.R. part 433 subpart B, and are not derived from impermissible sources such as recycled Medicaid payments, federal money excluded from use as State match, impermissible taxes, and non-bona fide provider-related donations. For transferring units of government that are also direct service providers, impermissible sources do not include patient care or other revenue received from programs such as Medicare or Medicaid to the extent that the program revenue is not obligated to the State as the source of funding.

2. Acceptance and Use of Transferred Funds by DHCS

2.1 DHCS shall exercise its authority under Section 14182.15 of the Welfare and Institutions Code to accept funds transferred by the Governmental Funding Entity pursuant to this Agreement as intergovernmental transfers (IGTs), to use for the purpose set forth in paragraph 2.2 below.

2.2 The funds transferred by the Governmental Funding Entity pursuant to this Agreement shall be used to fund a portion of the nonfederal share of the component of Medi-Cal managed care actuarially sound capitation rates pursuant to paragraph (1) of subdivision (d) of Section 14182.15 of the Welfare and Institutions Code and shall be paid, together with the related federal financial participation, by DHCS to L.A. Care and Health Net as part of L.A. Care and Health Net's capitation rates for the period July 1, 2014 through June 30, 2015. To the extent that DHCS has made and documented such expenditures, or portion thereof, prior to the necessary funds being transferred by the Governmental Funding Entity, the appropriate amount

of subsequently transferred funds shall be deemed to have been used in accordance with the requirements of this paragraph 2.2. The capitation rate amounts paid under this paragraph shall be used for payments related to Medi-Cal services rendered to Medi-Cal beneficiaries. The rate amounts paid under this paragraph shall be in addition to, and shall not replace or supplant, all other amounts paid or payable by DHCS or other State agencies to L.A. Care or Health Net.

2.3 DHCS shall seek federal financial participation for the rate amounts specified in paragraph 2.2 to the full extent permitted by federal law.

2.4 The parties acknowledge that State DHCS will obtain any necessary approvals from the Centers for Medicare and Medicaid Services (CMS) prior to the payment of any rate amounts pursuant to paragraph 2.2.

2.5 The parties agree that none of these funds, from either Governmental Funding Entity or federal matching funds will be recycled back to the Governmental Funding Entity's general fund, the State, or any other intermediary organization. Payments made by the health plan to providers under the terms of this Agreement and their provider agreement constitute patient care revenues.

2.6 Within One Hundred Twenty (120) calendar days of the execution of this Agreement, and every quarter as applicable thereafter, DHCS shall advise the Governmental Funding Entity, L.A. Care, and Health Net of the amount of the Medi-Cal managed care capitation rate amounts that DHCS paid to L.A. Care and Health Net during the applicable rate period specified in paragraph 2.2 involving any funding under the terms of this Agreement.

2.7 If any portion of the funds transferred by the Governmental Funding Entity pursuant to this Agreement is not expended by DHCS for the specified rate amounts under paragraph 2.2, DHCS shall return the unexpended funds to the Governmental Funding Entity.

3. Amendments

3.1 No amendment or modification to this Agreement shall be binding on either party unless made in writing and executed by both parties.

3.2 The parties shall negotiate in good faith to amend this Agreement as necessary and appropriate to implement the requirements set forth in paragraph 2 of this Agreement.

4. Notices. Any and all notices required, permitted or desired to be given hereunder by one party to the other shall be in writing and shall be delivered to the other party personally or by United States first class, certified or registered mail with postage prepaid, addressed to the other party at the address set forth below:

HEALTH PLAN-PROVIDER AGREEMENT

DHS HOSPITAL SERVICES AGREEMENT FOR MEDI-CAL

AMENDMENT No. 5

This Amendment is made this 9th day of August, 2016, by and between Local Initiative Health Authority for Los Angeles County, doing business as L.A. Care Health Plan, a local government agency hereinafter referred to as "PLAN", and County of Los Angeles Department of Health Services on behalf of its owned and operated hospitals, hereinafter referred to as "PROVIDER".

RECITALS:

WHEREAS, PLAN and PROVIDER have previously entered into an Agreement effective April 1, 2015;

WHEREAS, Section 6.2 of such Agreement provides for amending such Agreement;

WHEREAS, PLAN has been designated as Los Angeles County's locally created health care service plan by the Los Angeles County Board of Supervisors. It is a public entity, created pursuant to Welfare and Institutions Code Sections 14087.38(b) and 14087.9605 and Los Angeles County resolution and ordinance. PLAN is licensed by the Department of Managed Health Care as a health care service plan under the California Knox Keene Act (Health and Safety Code Sections 1340 et seq.). In the body of the Agreement, PLAN is known as "Health Plan;" however, for purposes of this amendment it shall be designated as described above.

WHEREAS, PROVIDER operates licensed general acute care hospitals which provide care to Medi-Cal beneficiaries and other residents of Los Angeles County. In the body of the Agreement, Provider is referred to as "DHS"; however, for purposes of this amendment, it shall be designated as described above. Further, for purposes sections 1.F of this amendment, PROVIDER shall refer to the hospitals owned by Provider.

WHEREAS, PLAN and PROVIDER desire to amend the Agreement to provide for base rate increases to PROVIDER with respect to services for Medi-Cal SPD enrollees of PLAN as a result of Medi-Cal managed care capitation rate amounts to PLAN funded in part by intergovernmental transfers ("IGTs"), pursuant to Section 14182.15 of the Welfare and Institutions Code, from the County of Los Angeles to the California Department of Health Care Services ("State DHCS") to help assure the availability of Medi-Cal health care services to Medi-Cal beneficiaries, including seniors and persons with disabilities ("SPD").

NOW, THEREFORE, PLAN and PROVIDER hereby agree as follows:

Section 8 of the Agreement is added to the Agreement and reads as follows:

8. SPD MEDI-CAL MANAGED CARE BASE RATE INCREASES

1. SPD Base Rate Increases to PROVIDER

A. Payment

Pursuant to subdivision (c) of Section 14182.15 of the Welfare and Institutions Code, should PLAN receive any SPD Medi-Cal Managed Care Rate Payments ("SPD MMCR Payments") from State DHCS, the nonfederal share of which is funded in any part by the County of Los Angeles specifically pursuant to the Intergovernmental Agreement Regarding Transfer of Public Funds, #14-90816 ("Intergovernmental Agreement") effective for the period July 1, 2014 through June 30, 2015, all of the provisions below shall apply.

(1) PLAN shall pay to PROVIDER, for services provided during the term of this Amendment, the rates for services set forth in Exhibit D of this Agreement, which shall be no less than the rates in effect as of July 1, 2011, and based on final rates actually received by Plan from DHCS.

(2) PLAN shall pay to PROVIDER as "SPD Base Rate Increase Payments," a maximum amount of Sixty Million, Seven Hundred Fifty-one Thousand, One Hundred Eleven Dollars (\$60,751,111) from the SPD MMCR Payments (net of the Health Plan Retention described in paragraph 1.B(1)) received from State DHCS, in accordance with paragraph 1.E below regarding the form and timing of Payments for services provided by the PROVIDER to Medi-Cal beneficiaries. Notwithstanding the DOFR applicable to this Agreement, and subject to the requirements in paragraph 1.F below, PROVIDER agrees to assign the funds received pursuant to this Amendment among the services set forth below in accordance with the proportions or amounts set by PLAN. These proportions or amounts will be determined by PLAN to represent a reasonable allocation of funds among the rendering providers. The service categories are:

- (a) Inpatient and Outpatient Facility Services
- (b) Physician/Practitioner Services
- (c) Freestanding Clinic Facility Services

Notwithstanding the foregoing, payments to PROVIDER and other providers by PLAN from SPD MMCR Payments (net of Health Plan Retention) for the relevant period shall be adjusted as appropriate to ensure that all such SPD MMCR Payments received by PLAN are distributed, and in no case shall exceed the total amount of SPD MMCR Payments. PLAN payments shall be based on actual SPD MMCR Payments included in the HEALTH PLAN's monthly capitation payment or a lump-sum payment received from DHCS. SPD Base Rate Increase Payments paid to PROVIDER shall not replace or supplant any other amounts paid or payable to PROVIDER by PLAN.

B. Health Plan Retention

- (1) Medi-Cal Managed Care Seller's Tax

The PLAN shall be responsible for any Medi-Cal Managed Care Seller's ("MMCS") tax due pursuant to the Revenue and Taxation Code Section 6175 relating to any IGT SPD MMCR Payments through June 30, 2015. If the PLAN receives any capitation rate increases described in paragraph (2) of subdivision (c) of Section 14182.15 of the Welfare and Institutions Code for which MMCS taxes apply based on the SPD MMCR Payments, PLAN may retain an amount equal to the amount of such MMCS tax that PLAN is required to pay to the State, and shall pay PROVIDER the SPD Payments (net of Health Plan Retention) from the remaining amount of the capitation rate increases as specified in paragraph 1.A consistent with Section 14182.15.

(2) PLAN will not retain any other portion of the SPD MMCR Payments received from the State DHCS other than those specified above.

C. Conditions for Receiving SPD Base Rate Increase Payments

As a condition for receiving SPD Base Rate Increase Payments, PROVIDER shall,

1. Maintain and make available to PLAN's Medi-Cal enrollees until at least July 1, 2015:
 - (a) Level 1 Trauma Centers at LAC+USC Medical Center and Harbor/UCLA Medical Center;
 - (b) a basic emergency room at Olive View Medical Center
 - (c) a burn unit at LAC+USC Medical Center.
2. PROVIDER will not exercise its rights to terminate the Hospital Services Agreement or the Participating Provider Agreement before June 30, 2015.

D. Schedule and Notice of Transfer of Non-Federal Funds

PROVIDER shall notify PLAN within five (5) days of the date of the transfer of funds to State DHCS pursuant to the Intergovernmental Agreements.

E. Form and Timing of Payments

PLAN agrees to pay SPD Base Rate Increase Payments to PROVIDER in the following form and according to the following schedule:

- (1) PLAN agrees to pay the SPD Base Rate Increase Payments to PROVIDER using the same mechanism through which compensation and payments are normally paid to PROVIDER (e.g., electronic transfer).
- (2) PLAN will pay the SPD Base Rate Increase Payments to PROVIDER no later than thirty (30) calendar days after receipt of the SPD MMCR Payments from State DHCS.

F. Consideration

(1) As consideration for the SPD Base Rate Increase Payments, PROVIDER shall use the SPD Base Rate Increase Payments for the following purposes and shall treat the SPD Base Rate Increase Payments in the following manner:

(a) The SPD Base Rate Increase Payments shall represent compensation for Medi-Cal services rendered to Medi-Cal PLAN members by PROVIDER during the State fiscal year to which the SPD Base Rate Increase Payments apply.

(b) To the extent that total payments received by PROVIDER for any State fiscal year under this Amendment exceed the cost of Medi-Cal services provided to Medi-Cal beneficiaries by PROVIDER during that fiscal year, any remaining SPD Base Rate Increase Payment amounts shall be retained by PROVIDER to be expended for health care services. Retained SPD Base Rate Increase Payment amounts may be used by the PROVIDER in either the State fiscal year for which the payments are received or subsequent State fiscal years.

(2) For purposes of subsection (1) (b) above, if the retained SPD BASE RATE INCREASE Payments, if any, are not used by PROVIDER in the State fiscal year received, retention of funds by PROVIDER will be established by demonstrating that the retained earnings account of PROVIDER at the end of any State fiscal year in which it received payments based on SPD BASE RATE INCREASE Payments funded pursuant to the Intergovernmental Agreement, has increased over the unspent portion of the prior State fiscal year's balance by the amount of SPD BASE RATE INCREASE Payments received, but not used. These retained PROVIDER funds may be commingled with other County funds for cash management purposes provided that such funds are appropriately tracked and only the depositing facility is authorized to expend them.

(3) Both parties agree that none of these funds, either from the County of Los Angeles or federal matching funds will be recycled back to the County's general fund, the State, or any other intermediary organization. Payments made by the health plan to providers under the terms of this Agreement or Amendment constitute patient care revenues.

G. PLAN's Oversight Responsibilities

PLAN's oversight responsibilities regarding PROVIDER's use of the SPD Base Rate Increase Payments shall be limited as described in this paragraph. PLAN shall request, within thirty (30) calendar days after the end of each State fiscal year in which SPD Base Rate Increase Payments were transferred to PROVIDER, a written confirmation that states whether and how PROVIDER complied with the provisions set forth in Paragraph 1.F above. In each instance, PROVIDER shall provide PLAN with written confirmation of compliance within thirty (30) calendar days of PLAN's request.

H. Cooperation Among Parties

Should disputes or disagreements arise regarding the ultimate computation or appropriateness of any aspect of the SPD Base Rate Increase Payments, PROVIDER and PLAN

agree to work together in all respects to support and preserve the SPD Base Rate Increase Payments to the full extent possible on behalf of the safety net in Los Angeles County.

I. Reconciliation

Within one hundred twenty (120) calendar days after the end of each of PLAN's fiscal years in which SPD Base Rate Increase Payments were made to PROVIDER, PLAN shall perform a reconciliation of the SPD Base Rate Increase Payments transmitted to the PROVIDER during the preceding fiscal year to ensure that the supporting amount of SPD MMCRs were received by PLAN from State DHCS. PROVIDER agrees to return to PLAN any overpayment of SPD Base Rate Increase Payments made in error to PROVIDER within thirty (30) calendar days after receipt from PLAN of a written notice of the overpayment error, unless PROVIDER submits a written objection to PLAN. Any such objection shall be resolved in accordance with the dispute resolution processes set forth in Section 6.3 of the Agreement. The reconciliation processes established under this paragraph are distinct from the indemnification provisions set forth in Section 6.4 of the Agreement. PLAN agrees to transmit to the PROVIDER any underpayment of SPD Base Rate Increase Payments within thirty (30) calendar days of PLAN's identification of such underpayment.

J. Indemnification

(1) PROVIDER shall indemnify and hold PLAN harmless against any losses, claims, demands, liabilities, court costs, judgments and expenses, imposed by a court or otherwise incurred by PLAN after the execution date of this Agreement as a result of PLAN's receipt of SPD MMCR payments or payment of SPD Base Rate Increase Payments, including but not limited to the following circumstances. This indemnification obligation replaces the indemnification requirements set forth in Section 6.4 of the Agreement for losses, claims demands, liabilities, court costs, judgments and expenses imposed by a court or otherwise incurred by PLAN after the execution date of this Agreement as a result of PLAN's receipt of SPD MMCR payments or payment of SPD Base Rate Increase Payments:

(a) In the event that State DHCS, the Department of Health and Human Services or any other federal or state agency recoups, offsets, or otherwise withholds any monies from or fails to provide any monies to PLAN, or PLAN is denied any monies to which it otherwise would have been entitled, for any reason relating to the SPD MMCR paid in any part though the Intergovernmental Agreement as such increases flow through the Medi-Cal Agreement between PLAN and the State and this Agreement, including but not limited to (i) State DHCS' use of SPD MMCR payments or SPD Base Rate Increase Payments to supplant or replace other amount in violation of the restrictions in Section 2.2 of the Intergovernmental Agreement; (ii) the failure of the SPD MMCR payments to qualify in whole or part for federal participation pursuant to 42 C.F.R. part 433, subpart B; or (iii) overpayment of SPD MMCR payments to PLAN by State DHCS, PLAN shall have a right to immediately recoup, offset or withhold any and all such amounts from payments otherwise due to PROVIDER. Recovery by PLAN pursuant to this section shall include, but not be limited to, reduction in future SPD Base Rate Increase Payments paid to PROVIDER in an amount equal to the amount of SPD MMCR payments recovered from PLAN, or by reduction of any other amounts owed by PLAN to PROVIDER;

(b) PLAN shall pursue an appeal, a lawsuit, or any other available legal action to challenge any recoupment by State DHCS, the Department of Health and Human Services, or any other federal or state agency, that is not required by law, unless after consultation with PROVIDER and with good cause, PLAN determines that it is not in the best interest of PLAN and/or PROVIDER to do so;

(2) At PLAN's discretion, PROVIDER shall either provide or arrange for legal representation on PLAN's behalf or PLAN shall arrange for its own representation and be entitled to reasonable attorney's fees and costs from PROVIDER for such representation, in addition to any and all other relief to which PLAN may be entitled, including, but not limited to, the following circumstances:

(a) If any action at law, suit in equity, arbitration, or administrative action is brought against PLAN by State DHCS, the Department of Health and Human Services, any other federal or state agency or other individual or organization to: (i) enforce or interpret the SPD MMCR payments or SPD Base Rate Increase Payments; or (ii) recoup, offset, or otherwise withhold any monies from PLAN relating to the SPD MMCR payments or SPD Base Rate Increase Payments; or

(b) If PLAN brings any appeal, action at law, suit in equity, arbitration or administrative action against the State DHCS, the Department of Health and Human Services or any other federal or state agency to (i) enforce or interpret the SPD MMCR payments or SPD Base Rate Increase Payments; or (ii) in response to an action described in subparagraph I(1)(a) or subparagraph (2)(a) above:

(3) If PLAN prevails in any appeal, action at law, suit in equity, arbitration, or administrative action against PROVIDER to enforce or interpret the SPD MMCR payments or SPD Base Rate Increase Payments or to recoup, offset, or otherwise withhold any monies relating to the SPD MMCR payments or SPD Base Rate Increase Payments, PLAN shall be entitled to reasonable attorney's fees and costs from PROVIDER; and

(4) In the event that PLAN believes that it is subject to any losses, claims, demands, liabilities, court costs, judgments or obligations to third parties which arise before the execution of this Amendment as a direct result of the parties' intention to enter into this Amendment or the terms of this Amendment, PLAN shall promptly notify PROVIDER of such belief. The parties will then negotiate, in good faith, the extent to which PROVIDER will provide indemnification. It is the parties' intention that PLAN not be substantially economically harmed as a result of its willingness to enter into this Amendment.

2. Term

The term of this Amendment shall commence on July 1, 2014 and shall terminate on September 30, 2017.

All other terms and provisions of said Agreement shall remain in full force and effect so that all rights, duties and obligations, and liabilities of the parties hereto otherwise remain unchanged; provided, however, if there is any conflict between the terms of this Amendment and the Agreement, then the terms of this Amendment shall govern.

HEALTH PLAN-PROVIDER AGREEMENT
CALIFORNIA HOSPITAL SERVICES AGREEMENT

Amendment No. 8

This Amendment is made this 9th day of August, 2016, by and between Health Net Community Solutions, Inc., hereinafter referred to as "PLAN", and County of Los Angeles on behalf of its Department of Health Services, hereinafter referred to as "PROVIDER".

RECITALS:

WHEREAS, PLAN and PROVIDER have previously entered into an Agreement effective January 1, 2014;

WHEREAS, Section 7.1 of such Agreement provides for amending such Agreement;

WHEREAS, PLAN's affiliate, Health Net Community Solutions, Inc. ("HNCS"), arranges for the provision of health services to Medi-Cal enrollees under the two plan model addressed in the regulations at 22 Cal. Code Regs. Sections 53840 et seq. through a contract with PLAN. The Agreement between PLAN and PROVIDER is known as the California Hospital Services Agreement. Although in that Agreement PLAN is referred to as "Health Net," for purposes of this Amendment, it, together with HNCS, shall be referred to by the designation listed above.

WHEREAS, PROVIDER operates licensed general acute care hospitals and several freestanding ambulatory clinics which provide care to Medi-Cal beneficiaries and other residents of Los Angeles County. For purposes sections 1.F of this Amendment, PROVIDER shall refer to the hospitals owned by PROVIDER.

WHEREAS, PLAN and PROVIDER desire to amend the Agreement to provide for base rate increases to PROVIDER with respect to services for Medi-Cal SPD enrollees of PLAN as a result of Medi-Cal managed care capitation rate amounts to PLAN funded in part by intergovernmental transfers ("IGTs"), pursuant to Section 14182.15 of the Welfare and Institutions Code, from the County of Los Angeles to the California Department of Health Care Services ("State DHCS") to help assure the availability of Medi-Cal health care services to Medi-Cal beneficiaries, including seniors and persons with disabilities ("SPD").

NOW, THEREFORE, PLAN and PROVIDER hereby agree as follows:

The following section 4.10, SPD Medi-Cal Managed Care Base Rate Increases shall be replaced in its entirety by the following:

4.10 SPD MEDI-CAL MANAGED CARE BASE RATE INCREASES

1. SPD Base Rate Increases to PROVIDER

A. Payment

Pursuant to subdivision (c) of Section 14182.15 of the Welfare and Institutions Code, should PLAN receive any SPD Medi-Cal Managed Care Rate Payments ("SPD MMCR Payments") from State DHCS, the nonfederal share of which is funded in any part by the PROVIDER specifically pursuant to the Intergovernmental Agreement Regarding Transfer of Public Funds, #14-90816 ("Intergovernmental Agreement") effective for the period July 1, 2014 through June 30, 2015, all of the provisions below shall apply.

(1) PLAN shall pay to PROVIDER, for services provided during the term of this Amendment, the rates for services set forth in provided for in Addendum A.3.1, which shall be no less than the rates in effect as of January 1, 2014.

(2) PLAN shall pay to PROVIDER as "SPD Base Rate Increase Payments," a maximum amount of Twenty-seven Million, Three Hundred Twenty-six Thousand, Five Hundred Eighty-six Dollars (\$27,326,586) from the SPD MMCR Payments (net of the Health Plan Retention described in paragraph 1.B(1)) received from State DHCS, in accordance with paragraph 1.E below regarding the form and timing of Payments for services provided by the PROVIDER to Medi-Cal beneficiaries. Subject to the requirements in paragraph 1.F below, PROVIDER agrees to assign the funds received pursuant to this Section 4.10 between inpatient and outpatient hospital services and physician/practitioner services and services provided in PROVIDER's freestanding clinics in accordance with the proportions set by PLAN or if PLAN does not so designate, as set by PROVIDER. These proportions will be established to represent a reasonable allocation based on the needs of these categories of services and the relative value of the services each provides. The Parties acknowledge and agree that such payment relates to services provided from July 1, 2014 to June 30, 2015, even though some of those services were provided prior to the effective date of this Agreement, under Agreement No. H 210040 entered into between parties which agreement was terminated effective December 31, 2013. Notwithstanding the foregoing, payments to PROVIDER and other providers by PLAN from SPD MMCR Payments (net of Health Plan Retention) for the relevant period shall be adjusted as appropriate to ensure that all such SPD MMCR Payments received by PLAN are distributed, and in no case shall exceed the total amount of SPD MMCR Payments. PLAN payments shall be based on actual SPD MMCR Payments included in the HEALTH PLAN's monthly capitation payment or a lump-sum payment received from DHCS. SPD Base Rate Increase Payments paid to PROVIDER shall not replace or supplant any other amounts paid or payable to PROVIDER by PLAN.

B. Health Plan Retention

(1) Medi-Cal Managed Care Seller's Tax

The PLAN shall be responsible for any Medi-Cal Managed Care Seller's ("MMCS") tax due pursuant to the Revenue and Taxation Code Section 6175 relating to any IGT SPD MMCR Payments through June 30, 2015. If the PLAN receives any capitation rate increases described in paragraph (2) of subdivision (c) of Section 14182.15 of the Welfare and Institutions Code for which MMCS taxes apply based on the SPD MMCR Payments, PLAN may retain an amount equal to the amount of such MMCS tax that PLAN is required to pay to the

State, and shall pay PROVIDER the SPD Payments (net of Health Plan Retention) from the remaining amount of the capitation rate increases as specified in paragraph 1.A consistent with Section 14182.15.

(2) PLAN will not retain any other portion of the SPD MMCR Payments received from the State DHCS other than those specified above.

C. Conditions for Receiving SPD Base Rate Increase Payments

As a condition for receiving SPD Base Rate Increase Payments, PROVIDER shall,

1. Maintain and make available to PLAN's Medi-Cal enrollees until at least June 30, 2015:

- (a) Level 1 Trauma Centers at LAC+USC Medical Center and Harbor/UCLA Medical Center;
- (b) a basic emergency room at Olive View Medical Center; and
- (c) a burn unit at LAC+USC Medical Center.

D. Schedule and Notice of Transfer of Non-Federal Funds

PROVIDER shall notify PLAN within five (5) days of the date of the transfer of funds to State DHCS pursuant to the Intergovernmental Agreements.

E. Form and Timing of Payments

PLAN agrees to pay SPD Base Rate Increase Payments to PROVIDER in the following form and according to the following schedule:

(1) PLAN agrees to pay the SPD Base Rate Increase Payments to PROVIDER using the same mechanism through which compensation and payments are normally paid to PROVIDER (e.g., electronic transfer).

(2) PLAN will pay the SPD Base Rate Increase Payments to PROVIDER no later than thirty (30) calendar days after receipt of the SPD MMCR Payments from State DHCS.

F. Consideration

(1) As consideration for the SPD Base Rate Increase Payments, PROVIDER shall use the SPD Base Rate Increase Payments for the following purposes and shall treat the SPD Base Rate Increase Payments in the following manner:

(a) The SPD Base Rate Increase Payments shall represent compensation for Medi-Cal services rendered to Medi-Cal PLAN members by PROVIDER during the State fiscal year to which the SPD Base Rate Increase Payments apply.

(b) To the extent that total payments received by PROVIDER for any State fiscal year under this Amendment exceed the cost of Medi-Cal services provided to Medi-Cal beneficiaries by PROVIDER during that fiscal year, any remaining SPD Base Rate Increase Payment amounts shall be retained by PROVIDER to be expended for health care services. Retained SPD Base Rate Increase Payment amounts may be used by the PROVIDER in either the State fiscal year for which the payments are received or subsequent State fiscal years.

(2) For purposes of subsection (1) (b) above, if the retained SPD BASE RATE INCREASE Payments, if any, are not used by PROVIDER in the State fiscal year received, retention of funds by PROVIDER will be established by demonstrating that the retained earnings account of PROVIDER at the end of any State fiscal year in which it received payments based on SPD BASE RATE INCREASE Payments funded pursuant to the Intergovernmental Agreement, has increased over the unspent portion of the prior State fiscal year's balance by the amount of SPD BASE RATE INCREASE Payments received, but not used. These retained PROVIDER funds may be commingled with other County funds for cash management purposes provided that such funds are appropriately tracked and only the depositing facility is authorized to expend them.

(3) Both parties agree that none of these funds, either from the County of Los Angeles or federal matching funds will be recycled back to the County's general fund, the State, or any other intermediary organization. Payments made by the health plan to providers under the terms of this Agreement or Amendment constitute patient care revenues.

G. PLAN's Oversight Responsibilities

PLAN's oversight responsibilities regarding PROVIDER's use of the SPD Base Rate Increase Payments shall be limited as described in this paragraph. PLAN shall request, within thirty (30) calendar days after the end of each State fiscal year in which SPD Base Rate Increase Payments were transferred to PROVIDER, a written confirmation that states whether and how PROVIDER complied with the provisions set forth in Paragraph 1.F above. In each instance, PROVIDER shall provide PLAN with written confirmation of compliance within thirty (30) calendar days of PLAN's request.

H. Cooperation Among Parties

Should disputes or disagreements arise regarding the ultimate computation or appropriateness of any aspect of the SPD Base Rate Increase Payments, PROVIDER and PLAN agree to work together in all respects to support and preserve the SPD Base Rate Increase Payments to the full extent possible on behalf of the safety net in Los Angeles County.

I. Reconciliation

Within one hundred twenty (120) calendar days after the end of each of PLAN's fiscal years in which SPD Base Rate Increase Payments were made to PROVIDER, PLAN shall perform a reconciliation of the SPD Base Rate Increase Payments transmitted to the PROVIDER during the preceding fiscal year to ensure that the supporting amount of SPD MMCRs were received by PLAN from State DHCS. PROVIDER agrees to return to PLAN any overpayment of SPD Base Rate Increase Payments made in error to PROVIDER within thirty (30) calendar days after receipt from PLAN of a written notice of the overpayment error, unless PROVIDER submits a written objection to PLAN. Any such objection shall be resolved in accordance with the dispute resolution processes set forth in 7.5 of the Agreement. The reconciliation processes established under this paragraph are distinct from the indemnification provisions set forth below. PLAN agrees to transmit to the PROVIDER any underpayment of SPD Base Rate Increase Payments within thirty (30) calendar days of PLAN's identification of such underpayment.

J. Indemnification

(1) The parties acknowledge that PLAN is receiving SPD MMCR Payments from State DHCS and paying PROVIDER SPD Base Rate Increase Payments on a non-discretionary basis and PLAN is not receiving compensation for such administration. The parties further agree that PLAN should not incur any liability in the event that SPD MMCR Payments are not correctly administered. Therefore, anything to the contrary contained in this Agreement notwithstanding, PROVIDER shall indemnify, defend and hold PLAN harmless against any losses, claims, demands, liabilities, court costs, judgments and expenses, imposed by a court or otherwise incurred by PLAN at any time or for any reason related to PLAN's receipt of SPD MMCR Payments or payment of SPD Base Rate Increase Payments, to the extent not caused by Plan's own negligence or intentional misconduct.

(2) In the event that State DHCS, the Department of Health and Human Services or any other federal or state agency recoups, offsets, or otherwise withholds any monies from or fails to provide any monies to PLAN, or PLAN is denied any monies to which it otherwise would have been entitled, for any reason relating to the Medi-Cal managed care capitation rate range increases arising from the Intergovernmental Agreement as such increases flow through the Medi-Cal Agreement between PLAN and the State and this Agreement, including but not limited to (i) State DHCS' use of SPD MMCR payments or SPD Base Rate Increase Payments to supplant or replace other amounts in violation of the restrictions in Section 2.2 of the Intergovernmental Agreement; (ii) the failure of the SPD MMCR payments to qualify in whole or part for federal participation pursuant to 42 C.F.R. part 433, subpart B; or (iii) overpayment of SPD MMCR payments to PLAN by State DHCS, PLAN shall have a right to immediately recoup, offset or withhold any and all such amounts from payments otherwise due to PROVIDER. Recovery by PLAN pursuant to this section shall include, but not be limited to, reduction in future SPD Base Rate Increase Payments paid to PROVIDER in an amount equal to the amount of SPD MMCR payments recovered from PLAN, or overpaid to PROVIDER or by reduction of any other amounts owed by PLAN to PROVIDER;

(3) At PROVIDERS request, PLAN shall pursue an appeal, a lawsuit, or any other available legal action to challenge any recoupment by State DHCS, the Department of Health and Human Services, or any other federal or state agency, that is not required by law,

unless after consultation with PROVIDER and with good cause, PLAN determines that it is not in the best interest of PLAN and/or PROVIDER to do so.

(4) At PLAN's discretion, PROVIDER shall either provide or arrange for and cover the costs legal representation on PLAN's behalf or PLAN shall arrange for its own representation and be entitled to recoupment of reasonable attorney's fees and costs from PROVIDER for such representation, in addition to any and all other relief to which PLAN may be entitled in connection any matter to which the indemnification in subsection (1) above applies or in connection with an appeal, lawsuit or other available legal challenge under subsection (3) above.

2. Term

The term of this Amendment shall commence on July 1, 2014 and shall terminate on September 30, 2017.

All other terms and provisions of said Agreement shall remain in full force and effect so that all rights, duties and obligations, and liabilities of the parties hereto otherwise remain unchanged; provided, however, if there is any conflict between the terms of this Amendment and the Agreement, then the terms of this Amendment shall govern.
